Thank You Randy Mehrten

After serving on our board of directors since 2022, and as President since 2023, Randy Mehrten has submitted his resignation to devote more time to his family.

Randy divides his time between Fresno and Texas, making multiple trips east each year to remain connected with his son's

family.

Among his many other contributions, he has been instrumental in leading the organization through the buildout and opening of the permanent courts at East Rotary, built the beautiful paddle racks and negotiated with the city to allow them to become a permanent fixture on the courts.

When in town, he typically plays at Orchid Park.

If you see him, please thank him for his service.

New Equipment!

We want to thank you for your continued support. Last month, your membership dues and donations purchased new net systems for all Open Play venues.

We are committed to support our community of players by continuing to provide and maintain all equipment, including balls; host organized open play; pay for evening reservations, as necessary; offer ongoing free lessons; and sponsor events that promote the game of pickleball in the Fresno/Clovis area.

If you have a friend who regularly attends Open Play at East Rotary, Orchid Park or Vinland Park, who is not a member, please encourage them to join.

Open play offers players at all levels the opportunity to enjoy an organized, engaging experience with opportunities to meet new people, and get exercise!

Lost and Found

Hosts at all courts are finding items left behind by players. We post many of these items on our [FaceBook](#) page, but all items are kept in the locked storage for 30 days and can be claimed by consulting with any host during Fresno Area Pickleball Open Play hours.
